YOUR CLUB HISTORY IS IMPORTANT TO YOU. HELPING YOU RECORD IT, IS IMPORTANT TO SUPASHOTS. Your Club Show is always a memorable event. It is part of your club history and as you know it is important to record the achievements of the animals and exhibitors who take part. We can help you record your show or event using pictorial images taken by Supashots. We believe the old adage "A picture's worth a thousand words" is very applicable to club records. For a very modest fee we will attend your Show or Club Event for the whole duration and photograph the agreed highlights of the day. We will supply the club with high quality photographic images burned to a good quality CD-R. These images will be processed, full resolution and in full colour. They may be used for printing in your club magazine or newsletter or on your club website. Club secretaries or committee members, please contact us for further information.
